

We participated in Tyler Business Expo at Market Center on January 21st and used the Business Display Sign.

We had lots of inquiries about our community, handed out pamphlets, candy, lapel pens give by City of Chandler and had pictures and information about members on sign.

Dennis Mack and Reagen Adair of Adair Repair and Remodeling attended the booth for our Chamber and it was an all day affair. The next Business Expo will be in April at Pound Air Field. The date will be notified later. We need pictures of your business for the display sign or pamphlets advertising your services.

Come grown with us as our economic development committee is in the process of acquiring a Motel on Highway 31 in Chandler...watch for announcement. The committee is also working with the Chandler Economic Committee in acquiring some type of Chicken Business. The new outer loop of Tyler will bring more people in our area and help us increase our business. We also plan to have the "Antique and Classic Car" show on Brookshire parking lot beginning the second Tuesday in April.

At the present time we have 79 members and annual dues are being collected with over half of our members already paid .

J-B Mini Storage and Ron Mabry Architicts have joined us this month and we need more new members.

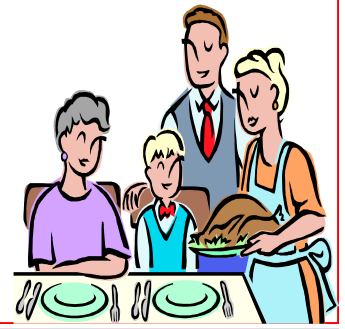

We are handing out our "new comer" packets and have inserted information leaflets of some members that have furnished them. We still need some of your business cards for the foyer as many have been removed.
