SILENT AUCTION & AWARDS BANQUET

We experienced a different atmosphere...snow...on Thursday the day of our event, and it was beautiful. We enjoyed good food with trimmings from Danny's Bar-B-Q. Joan Hallmark gave us encouraging words, and we had 45 items for our auction. There were about 107 determined folks getting out in the weather to attend. Three very active ladies were named Citizens of the Year, Rosie Bussman, Martha Copeland, and Dorothy McHam. Keep Brownsboro Beautiful won Business of the Year, Ted Mitchell was Teacher of the Year, Tom Rushing was Fireman of the Year and Adam Estes was Police Officer of the Year. You missed a blessing if you did not attend.

Life is a steep grade, and we should welcome every opportunity to give our friends a life when they need it. He is greatest who is most useful to others, and whatsoever a man sows, that shall he also reap. A loving heart is the truest wisdom.
